

Preparing for Adulthood

whilst awaiting Autism or LD Assessment Warrington

ADDvanced Solutions
Community Network
Supporting you to find the answers

ADDvanced Solutions Community Network is an open access offer that supports the emotional health and wellbeing of neurodivergent children and young people, their families and the professionals that work with them.

We are newly commissioned in Warrington to offer learning opportunities to parents and carers of neurodivergent young people aged 11+ who are awaiting Autism and LD assessment.

Preparing for Adulthood Learning Programme

is a structured, 6 session programme supporting and empowering parents and carers with information and strategies around:

- Planning for transition
- Supporting independence
- Reasonable adjustments and SEND
- Further education and employment
- Independent living
- Community inclusion
- Relationships
- Good health and wellbeing
- Local provision and services.
