Our online offer is delivered via Zoom for Healthcare, and you will receive a reminder with the link before the session via your email.

What is the Professionals Neurodevelopmental Conditions Awareness Raising Training?

Designed to improve professionals' understanding of neurodevelopmental conditions (NDCs), how they may present and how one condition may overlap with another. Professionals attending this training will develop knowledge, skills and confidence to better support neurodiverse children, young people and their families:

- **Understand the differences between ADHD, Autism, and other NDCs**
- **Recognise the typical behaviours of ADHD, Autism and other NDCs**
- **Recognise the impact that unsupported and unmanaged characteristics of NDCs can have on an individual and their family**
- **Understand the impact that sensory processing difficulties can have on children and young people**
- **Identify local support available for professionals, children, young people and their families.**

ADDvanced Solutions Community Network is commissioned to deliver a limited number of Neurodevelopmental Conditions Professional Awareness Raising Training. If you are interested in this full day's training, please call the office on 0151 486 1788 or email info@advancedsolutions.co.uk.

Coffee Mornings, Afternoons and Engagement Events

Our team are happy to attend any face-to-face coffee mornings and/or online sessions to explain our offer for families and professionals. Please email us at info@advancedsolutions.co.uk for further information.

Seeking Crisis Support?

ADDvanced Solutions Community Network is not a crisis service. If you, a child or young person is experiencing acute distress and is deemed to be a risk to themselves or others, we have listed the local area crisis contact details on our urgent support page, which you can find on our website: www.advancedsolutions.co.uk at the bottom of the home page.

You will also find links to national organisations that can offer support.

Online offer:

Our online offer is delivered using Zoom for Healthcare. The details we request are kept securely and used in line with our privacy policy: www.advancedsolutions.co.uk/policies/privacy-policy.html

If you are using a phone, you will need to download the Zoom app beforehand. Please be mindful of your data usage. If you do not have an unlimited data plan, you may need to connect to a Wi-Fi connection to prevent charges.
