

A new offer for **Wirral**

Beginning Spring 2 Half Term 2025

ADDvanced Solutions
Community Network
Supporting you to find the answers

ADDvanced Solutions Community Network is an open access offer that supports the emotional health and wellbeing of neurodivergent children and young people, their families and the professionals that work with them. Below you will find the learning programmes and workshops for Wirral families. No diagnosis or referral is needed to access ADDvanced Solutions Community Network.

Community Network Groups

Delivered weekly during term time, an informal, open access learning opportunity for parents, carers and wider family to seek advice and support around challenges you may be facing at all stages of your journey. Drop in, no need to book, to meet the team and visiting professionals.

Wirral Community Network Group will run each Thursday 12.30pm - 2.30pm beginning Thursday 27th February 2025, venue to be confirmed soon.
