

# What's on in Liverpool

Spring Term 2026

**ADDvanced Solutions**  
Community Network  
Supporting you to find the answers

## ADDvanced Solutions Community Network

supports the emotional health and wellbeing of neurodivergent children and young people, their families and the professionals that work with them. **No diagnosis or referral is needed to access the offer.**

### BELLE VALE Community Network Group

#### Tuesday mornings during term time

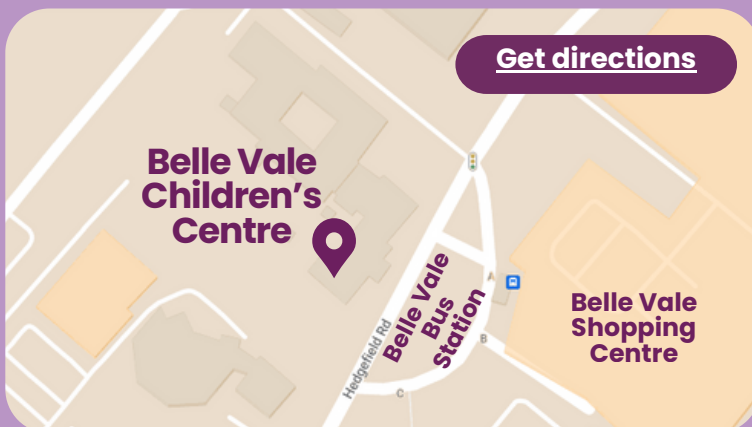

Join us from **9:30am – 11:30am**

**Venue:** Belle Vale Children's Centre, Hedgefield Road, Liverpool L25 2RW

**No booking needed, just come along**

Come along and meet our team, to learn more about neurodiversity from those who can share lived experiences and practical strategies. Our groups create a welcoming, accepting and relaxed environment for parents and carers, you are not on your own.

The centre is located opposite Belle Vale Shopping Centre and on the left of Gateacre School. The centre is accessible by bus via Belle Vale Bus Station.

#### Topics this term:

Tues 6 <sup>th</sup> January	Sensory Processing Difficulties
Tues 13 <sup>th</sup> January	<b>SEND Law Support</b> from Liverpool Law Clinic

## Autism Learning Programme – Face-to-Face

This Autism Learning Programme has been designed to support and empower parents and carers in their understanding of how autism is experienced by children and young people, providing learning, guidance and strategies to better support your child/young person. The programme is for Liverpool and Sefton parents and is in partnership with Alder Hey NHS Trust, commissioned by NHS Cheshire & Merseyside. Priority will be given to those whose child or young person has received a diagnosis of autism but places will also be offered to those who are waiting. **Please select the appropriate programme specific to the age of your child:**

**3–8 Years, 9–13 Years and 14–19 Years**

**Contact us to register**

### Sensory Processing Difficulties Awareness Raising Training

This training helps parents and carers to understand sensory processing difficulties, emotional regulation and praxis with sensory strategies to better support their child or young person. Delivered in partnership with an Occupational Therapist Advanced Practitioner in Sensory Integration.

### Eating Difficulties Awareness Raising Training

Our Eating Difficulties Awareness Raising Training helps parent and carers to understand how our senses are involved in eating, why neurodiverse children and young people may struggle during mealtimes and the importance of having a consistent, structured and functional mealtime routine. Come along and gain strategies to help your child presenting with eating difficulties.

**Please ensure that you have attended our Sensory Processing Difficulties Training before you attend our Eating Difficulties Training as this provides the base knowledge recommended for this course.**

**Please contact us to reserve your free place on our next available Sensory Processing Difficulties (SPD) or Eating Difficulties Awareness Raising Training**

Call our office on **0151 486 1788** or email us on **info@advancedsolutions.co.uk**

**No referral or diagnosis is needed.**

## Additional Online Workshops

Short, online webinars to help you better understand a topic related to neurodevelopmental conditions. Interact via the chat and Q&A with any questions.

### Supporting Behaviours that Challenge Workshop

Exploring behaviours that challenge and what can cause them. Providing a deeper understanding and practical strategies.

**Friday 30<sup>th</sup> January** – 9.30am – 12.00pm

[Click here to register](#)

### Supporting Sleep Workshop

Exploring the reasons why neurodivergent children and young people can often struggle to sleep and the impact this can have on them and their family. Providing practical strategies to improve sleep.

**Friday 6<sup>th</sup> February** – 9.30am – 12.00pm

[Click here to register](#)

### Demand Avoidance Workshop

Exploring Autism with a Demand Avoidant Profile and strategies to support autistic children and young people presenting with varying degrees of demand avoidance.

**Friday 13<sup>th</sup> March** – 9.30am – 12.00pm

[Click here to register](#)

### Emotional Regulation and Praxis

Providing parents and carers with a greater understanding of how praxis and sensory processing difficulties can impact emotional regulation and explore strategies to support.

**Friday 20<sup>th</sup> March** – 9.30am – 12.00pm

[Click here to register](#)

If you are using a phone, you will need to download the Zoom app beforehand. Please be mindful of your data usage. If you do not have an unlimited data plan, you may need to connect to a Wi-Fi connection to prevent charges.
