

ADDvanced Solutions Community Network

supports the emotional health and wellbeing of neurodivergent children and young people, their families and the professionals that work with them. **No diagnosis or referral is needed to access the offer.**

SEFTON Community Network Group

Wednesday afternoon during term time

Join us from **12:30pm–2:30pm**

Venue: May Logan Health Living Centre, 294 Knowsley Rd, Bootle L20 5DQ

No booking needed, just come along

Come along and meet our team, to learn more about neurodiversity from those who can share lived experiences and practical strategies. Our groups create a welcoming, accepting and relaxed environment for parents and carers, knowing you are not on your own.

[Get directions](#)

The centre is located on Knowsley Road, opposite Bootle Ambulance Station. It is a 10 minute walk from Bootle New Strand bus and train stations.

See below our online, learning workshops for parents/carers to better understand topics relating to neurodiversity, including sleep, mental health, barriers to attending school and demand avoidance.

Autism Learning Programme – Face-to-Face

This Autism Learning Programme has been designed to support and empower parents and carers in their understanding of how autism is experienced by children and young people, providing learning, guidance and strategies to better support your child/young person. The programme is for Liverpool and Sefton parents and is in partnership with Alder Hey NHS Trust, commissioned by NHS Cheshire & Merseyside. Priority will be given to those whose child or young person has received a diagnosis of autism but places will also be offered to those who are waiting. **Please select the appropriate programme specific to the age of your child:**

Preschool and Primary (3–10 Years) or Tweens and Teens (11–18 Years)
